

What's Included

Our listed tour prices are comprehensive, local travel, equipment and meals are provided and the tour package includes (almost) everything you will need from the time we pick you up until you arrive back. We generally operate the same way (on quote) for remote/unlisted walks:

- Pre-trip planning and advice.
- Transport to/from trail-head, accommodation, airports, etc.
- All equipment – High quality gear that will keep you safe and comfortable in all conditions. This includes everything we can possibly supply, the only necessary exceptions being footwear and personal clothing (you are welcome to bring your own item/s, we make ours available for your choice either way).
- All permits, park passes, track fees and insurances as required (we recommend you also obtain some form of additional personal/property insurance).
- All meals provided and prepared, from morning tea and/or lunch on day one to lunch on the final day. Most diets can be catered for.
- Experienced guides (who carry group equipment, communications and safety gear, all food*).
- Beacon tracking for selected routes – if applicable you will be given a beacon link to pass on to family/friends.
- Supply drops (caches) along the main tracks to minimize pack weights.
- Storage and free parking to leave vehicles (at the tour base).
- Support personnel.
- Discounts on hire gear and equipment sales following tours.
- Discounts on future walks with Wilderness Expeditions Pty Ltd.

* Some food carriage is shared between group members for our more challenging/remote walks, reflected in the average pack weight listed in the details for each walk.
